A Breath of Magic is the third book in Tracy Madison's Magic series. In chatting with a few people from GoodReads I was told that it would work well as a stand alone book. I do think this book does stand alone however I wish I would have read the previous two books in the series for a better understanding of the relationships between the ...

The underlying principle behind Magic on the Breath is that spells can be empowered by our breathing

(especially as we exhale). In fact there is a process of chemical transformation going on â€“ whether weâ€™re aware of it or not â€“ every single time we breathe in oxygen from the air around us and then change it into carbon dioxide as we ...
