One Day at a Time's 3 Two kinds of change From time to time, people decide to change their living arrangements. They move to a larger or smaller place, or move in with someone, or move out to be on their own. People with disabilities who need everyday assistance provided by a service system often find these moves hard to make.

One Day in the Life of Ivan Denisovich by Alexander Solzhenitsyn is an excellent reading choice for high school students. Not only does it fit thematically with other works typically studied in a literature curriculum, but it corresponds quite well with a world history curriculum, reinforcing a cross-curricular approach.
