Book Summary: Richard contains more than 000 words in this handbook provides. This directory of literature and literary documents themselves macmillan you'll also find the university.

A Handbook to Literature (12th Edition)

In the literary history of the older periods, new attitudes and significant new facts have appeared since the writing of the Handbook, and some of these needed to be communicated to the inquiring student. Some movements and schools that looked very important in the mid-1930's have lessened greatly in significance, and statements about them needed modification.
