THE LAST LECTURE A Guide for Educators, Parents, and Book Clubs The Last Lecture is a memoir, a celebration of life, and a testament to the power of childhood dreams. But it is also, perhaps most of all, a book of lessons. The book is filled with all the ideas and observations that Randy Pausch wanted to share with his three young children.

explains that his lecture about childhood dreams is really two head fakes: first is that the way you lead your life will help you fulfill your dreams and second is that the last lecture was really a way for Randy to leave a legacy for his children. Big question Big question There are many essential questions that you could focus on with this book.
