### **ACCESS TO JUSTICE AND THE RULE OF LAW - British Council**

Access to justice is an important element of the rule of law. It enables individuals to protect themselves against infringements of their rights, to remedy civil wrongs, to hold executive power accountable and to defend themselves in criminal proceedings.

### **Handbook on European law relating to access to justice**

This section discusses generally how the notion of access to justice can be described in different ways. In light of that description, it also zooms in on what access to justice encompasses in the Convention system, and what it means to have effective access to (substantive) justice in that system.
