For him, Olympic activism should be seen as a (conjunctural) moment of movements not a movement of movements. There is a risk, however, that in focusing specifically on non-athlete dissent with an extra-Olympic emphasis he might overstate this momentariness.

Activism and the Olympics: dissent at the games in

The Olympic Games are shrouded in an apoliticism that is in fact eminently political. The notion that the Olympics can sidestep politics is one of the guiding fictions of our times, and one propped up by major players in the Olympic movement.
