All That our Hands Have Done is the first 'popular' book to emerge from the schools of Hamiltonian studies and, though modest and unpretentious, is in its own way equally as innovative and valuable as the earlier offerings by Katz, Graff, Palmer, and others on the topic. For here we can actually see the culture, especially the material culture, of the community, as well as the working people at work, at play, and 'in conflict': the stolid craftsmen, the sturdy labourers (male and female), immigrants, women, and children.
