America Between the Wars HNRS 3323-001. This course situates the justifications for America's end of isolationism and entry into the "Great War," concluding with the entry of America into World War II. Between these two cataclysmic events, the course aims to identify the artistic responses, supplemented by some of the historical significances of the American Nineteen Twenties, Thirties, and early Forties, of a nation that emerges as a world power, as it culturally matures.
